PACKAGING CHANGES

R. J. REYNOLDS

CAMEL ULTRA LIGHTS KING SIZE (CONVERTIBLE BOX)

Reynolds began national shipments of *Camel Ultra Lights King Size and 100 (Convertible Box)* in January. The convertible box will replace the current box packings at retail. This is the second use of the convertible box; the Vantage Ultra Lights franchise was changed from conventional to convertible box in 1992. No significant differences between cigarettes from the new versus the old packaging were observed in smoke, cigarette, paper, filter or filler. Camel Ultra Lights 100 (Convertible Box) has not been received for testing.

BROWN & WILLIAMSON

VICEROY KING SIZE & 100 (SOFT PACK)

VICEROY LIGHTS KING SIZE & 100 (SOFT PACK)

The packaging of *Viceroy and Viceroy Lights King Size and 100 (Soft Pack)* has been changed. A gold pin stripe was added to the white background of the Viceroy King Size and Viceroy Lights King Size and 100 packs. The phrase, "Rich Natural Tobaccos," was replaced with "Rich Tobaccos" on all packings. "Super Longs" was removed from the Full Flavor 100 pack. No significant differences between cigarettes from the new versus the old packaging were observed in smoke, cigarette, paper, filter or filler. This new packaging is now similar to the Viceroy King Size (Box) and Viceroy Lights King Size (Box) introduced January, 1991.
